

October 29, 2021  
Dear Parents,

It is very important that your child is **H**ere, **E**veryday, **R**eady to learn, and **O**n time for school. Research shows that students with regular attendance have higher achievement and better grades!

Beginning next week (November 1st) we will be tracking attendance weekly and monthly. A student who is **H**ere, **E**veryday, **R**eady to learn, and **O**n time for school will be recognized as a **Falcon HERO!** There will be weekly and monthly treats, prizes, rewards, and recognition for **Falcon HERO**es!

Please encourage and help your child get to school everyday on time (by 7:30), ready with all necessary learning supplies, and with a positive attitude!

Our school is dedicated to student success! Regular attendance is a critical part of student success. Missing time from school or class puts students at risk of falling behind. Please help your child be a **Falcon HERO** who shows up and shows success!
